Finance Manager – Travel Industry

Description

Finance Manager – Travel Industry

London, UK | Full-Time | Hybrid Working

Client of [Accountancy Capital](#)

We're currently recruiting on behalf of a dynamic and growing travel agency, based in the heart of London, seeking a commercially minded **Finance Manager** to take the lead on all financial operations. This is an exciting opportunity for a qualified finance professional looking to make a real impact within a fast-paced and customer-centric environment.

About the Role:

As **Finance Manager**, you will report directly to the Managing Director and oversee a small finance team. You'll play a key role in ensuring accurate financial reporting, improving systems and processes, and supporting strategic decision-making. This is a hands-on role suited to someone who thrives in a dynamic, entrepreneurial setting.

Responsibilities

Key Responsibilities:

- Manage all day-to-day financial operations including accounts payable/receivable, payroll, and reconciliations
- Prepare monthly management accounts, forecasts, and year-end financial statements
- Oversee budgeting and cash flow planning, with regular reporting to the leadership team
- Liaise with external accountants, auditors, and regulatory bodies
- Ensure compliance with VAT, HMRC regulations, and industry-specific financial standards
- Lead improvements in financial systems and controls, especially across booking and CRM platforms
- Provide commercial insight and financial analysis to support growth strategies
- Support contract negotiations with suppliers, partners, and service providers
